

Enhancing the lives of individuals and families through quality educational programs and experiences, encouraging responsible leadership and service to the community.”

2019 State Conference

We are so honored to be named County of the Year for the second year in a row. Three of our board members won awards for their education booklets, and our own Carol Myers placed first in the knitted afghan category in the Cultural Enrichment Division.

Our County Board and our wonderful volunteer members work very hard to provide interesting and entertaining programs for both our members and prospective members. Many hours are spent in contacting our members and planning these programs.

Our wonderful Illinois weather caused some havoc these last few months. Several of our programs had to be canceled and rescheduled to another time. Our popular program about hummingbirds, as well as several of our sewing days were canceled because of the inclement weather. Our March program was about Human Trafficking and how it affects our population in Decatur and the surrounding communities. Our upcoming programs include an informative program about the most recent scams in our area, our Spring Meeting, a visit to the local Raptor Center and a delicious presentation about tortillas. Sprinkled in between these programs are several pillowcase sewing days, and a Tri-County meeting.

Our scholarship deadline is Monday, July 1, 2019. We hope that many of our members’ children or grandchildren will apply for these very important scholarships. Our annual planning session is in July. Many people will need to come up with some more ideas for programs. We have such a talented membership that this should not be a problem!!! Macon County continues to be a wonderful, vibrant group that works diligently to provide quality programs and services in our community and the surrounding areas. I am so proud to be part of this wonderful organization.

IAHCE Conference Memorial So God Made a HCE Member

These are some excerpts from the memorial that was presented at the State Conference in Effingham this past March.

And on the 9th day, God looked down on his planned paradise and said, "Oh dear, the family and the community are going to need help." So God made a HCE member.

God said, "I need somebody who will get up before dawn, make breakfast, work all day in her career, make time to be with her County HCE unit and then come home to fix supper and wash up the dishes." So God made a HCE member.

God said, "I need someone who will stop her work to talk with her HCE members about joys and troubles. Somebody who could cook and clean and not cut corners. Somebody to wash, dry, iron, tidy, feed, rake, water, drive, check the homework and pack the lunch bags and remember the basketball schedule and replenish the refrigerator and finish a hard week's work and end it with going to church. Somebody who would sew a family together with the soft, strong stitches of sharing, who would laugh and then sign and then reply, with smiling eyes, when her daughter says she wants to spend her life "doing what mom does." So God made a HCE member.

Support Our Troops

To continue our celebration of 100 years of MCHCE, we are planning to collect 100 various items each month for the next year to donate to the troops. If everyone donates just one item each month we will make our goal. You can collect the items at your monthly meetings and then get them to the extension office where we will have a box. Remember NO LARGE SIZES as they are too costly to mail.

April: Peanut Butter or Cheese Crackers

May: Individual Powdered Drink Mixes

June: Body Washes, Shampoos, Deodorant

July: Chap stick, Moisturizers

August: Individually packaged Wet Wipes

Good News!

Volunteer Hours!

There were 93 members that reported volunteer hours which was 85% of our membership. We had 20,039 HCE hours, and 8,361 of other hours. Our total number of volunteer hours that we reported was 28,400 hours. CONGRATULATIONS TO ALL.

OFFICERS' REPORTS

President

Bonnie Lanhan

Well, the Spring Meeting is right around the corner and we have chosen Yoder's for catering. The menu is roast beef, mashed potatoes and gravy, green beans, tossed salad and apple cobbler. Maple Grove will furnish the drinks for the lunch. The cost is \$10.00 and you need to RSVP to Sharon Middleton by April 19th. Maple Grove will provide the breakfast items, and Pleasant Grove will do the registration and the 50/50 drawing. The proceeds for the 50/50 will go to the Macon County Honor Guard. Our speaker will be Dan Watkins from God's Shelter of Love. We will be giving him some pillowcases. Don't forget to bring your contributions to Operation Enduring Support. The list of needed items is on the front page of this newsletter. We were also informed that the puzzle books that come in the newspaper can be rolled up and fastened with a rubber band and included in the packages. Please save those puzzle pages for us.

Don't forget to sign up for the Raptor Center lesson by May 15th. Our craft lesson/membership drive will be in July and hopefully, we will have some craft examples for that lesson at the Spring Meeting. Once again, we will have some of our various craft items for sale at the Spring Meeting. This was very popular at the Fall Meeting. The Chinese auction will also be going on. We hope to see many of you at our Spring Meeting!

First Vice President

Linda Hooge

On March 11th, we had a lesson on Human Trafficking. Our speaker, Cindy Kuro, is a prevention educator. We saw a 20 minute video showing us how young girls become victims of Human Trafficking. A person may offer the girl a ride, offer to take her shopping or get her nails done, or pretend to be her boyfriend. She is taken away and sold into Human Trafficking. We learned that this occurs even in our city. Did you know that Human Trafficking is modern day slavery? Trafficking of humans is one of the largest criminal industries in the world. Trafficking also occurs in forms of labor exploitation such as domestic servitude, restaurant work, sweatshop factory work, or migrant agricultural work. Knowing what clues to look for and what questions to ask can help you identify potential victims. These are the questions that you may have:

1. Is the person accompanied by another person who seems controlling?
2. Is the person rarely allowed in public, except for work?
3. Can you detect any physical or psychological abuse?
4. Does the person seem submissive or fearful?
5. Does the person lack identification or documentation? Is someone else collecting the person's pay or holding it for "safe keeping?"

If you suspect someone is a victim of human trafficking, call the National Human Trafficking Resource Center at 1-888-3737-888. This hotline can help victims safely and securely begin to rebuild their lives by connecting them to basic services.

The State Conference that was held in Effingham was enjoyed by many people. I, for one, had a very enjoyable time. The board president, Bonnie Lanham, took Linda Hooge, Carol Flitz, and me in her van, and we went to Effingham on a Wednesday morning at 5:30 a.m. That was way too early but with my coffee and Carol's company, we got there. First, we registered and sat in on the business meeting. Bonnie and Linda were our voting delegates for several changes that were made for IAHCCE. We then ate a very delicious lunch provided by the employees of the center. We also got to shop at the various vendors that were also there. After lunch, we all attended the different "share shops". Bonnie and I chose the program about Route 66 nostalgic memories, which was very informative. I then attended the meeting for the 2nd Vice Presidential duties and obligations. This was excellently presented by Angela Hicks, the outgoing 2nd Vice President for IAHCCE. She has 2 quotes that she lives by in her life and the main one was "And we all know that all things work for good to those who love God and to those who are called to his purpose." Romans 8:28 The other quote begins with "Aspire to" meaning my hopes, ambitions, and goals." Look at membership very positively which means to me increasing our membership as well as maintaining our present membership, establishing a friendship team (our Macon County unit), and just get people to notice us in various, positive ways.

Our county has supported the Ronald McDonald House in Springfield for many years. We believe in their mission of providing a free, homelike atmosphere for families to stay while their children are being treated at St. John's Hospital. We have provided meals for residents as guest chefs, collected household items, made hundreds of pillowcases for the patients, donated many pounds of pop tabs, and given monetary donations.

Huck Platt receiving one of our HCE pillowcases from Ronald McDonald House.

This is such an awesome place, but a place that you don't think about your family ever needing. My grandson, (Alice Bray's great-grandson) was born full term on March 14, 2019. On March 15, he was transferred to St. John's. Out of respect for their privacy, I am not providing medical details. I called Brian Replogle, our contact at RMDH, to inquire about a space

for our children. A room was available. I cannot even begin to explain what a blessing this facility is. Our kids were welcomed as if it was their home. A pass key was provided so they could visit their son at any time of the day or night. Free shuttle service was always available. Delicious meals were provided at regular intervals, but always available to reheate. Well-stocked refrigerators were provided. Each room received a donated Thirty-One bag chocked full of personal items, including one of our pillowcases. These amenities allowed our children to focus on the health and well-being of their baby. We were lucky, our baby was in the NICU for 5 days. Many of these babies are there for months. What a wonderful blessing, not only for our family, but for all of the families that were served. By the way, our baby is doing great.

Brian is leaving the Springfield RMDH to launch a new facility in Peoria. We will miss him, but his replacement seems awesome too. I delivered 30 pillowcases in March. and just get people to notice us in various, positive ways.

International

Donna Washburn

"As you travel through India, everything keeps changing - the scenery, the people, the food, the languages. That is why India is often described as not one country, but a collection of countries." (Country Insights, India. City and Village Life by David Cumming). This quote is from a children's library book and perfectly describes my thoughts.

BUT, as I read and work on organizing INTERNATIONAL DAY, on WEDNESDAY, SEPTEMBER 18, 2019, I'm moving from overwhelmed to curious about India. Is the caste system still observed? Are cows still considered sacred? Why was India in the World News lately regarding their space program? What is the significance of the red dot on the forehead of some Indian women? Questions, questions, and more questions! If you're as curious as I am, I found a great book in the Forsyth Public Library that's full of great photographs and short essays. It's more of a picture book with little blurbs of information on modern day India, and I'm sure it's available in other libraries. INDIA EXPOSED - the Subcontinent A-Z by Clive Limpkin (copyright 2008). We all want to see world peace and harmony, so if each of us studies and learns about other countries, it will further understanding and hopefully acceptance and respect. We've got to start somewhere, and we're never too old to learn. Besides, it keeps our brains working! "Use it or loose it" comes to mind...:-)

In the last newsletter the question was, "What is the name of the most popular bread in Northern India and where can you purchase it in Decatur?" Did any of you find Naan bread at Aldi? It comes in two sizes and is plain, without spices.

QUESTION: Neem Oil comes from the Neem tree in India, also known as "Indian Lilac". What American products contain Neem Oil? I bet you can find some of them in your local stores, or shelves at home.

Cultural Enrichment

Sally Dennis

I must apologize to everyone for not getting this information in the newsletter long before now. Part of the reason is I wasn't able to get things written down at the Fall Meeting and I was hoping someone else was keeping track for me. Unfortunately, everyone thought someone else was writing things down. As a result, no one recorded the information that was needed. We will strive for a better system this year.

The Cultural Enrichment entries that were picked to go to Conference in Effingham this year are as follows:

Crocheted Afghan--Erma Ragle--Granny Squares
Hand Embroidery--Barb Abbott-- Sampler
Knitted Afghan--Carol Myers--Lavender afghan
Machine Embroidery--Estaleen Earthal--Flowers on Pillow
Photography--Donna Washburn--Chandelier with Solar Lights
Table Runner--Carol Flitz-- Runner with Easter eggs
Wall Hanging-- Eastaleen Earthal--hanging with Oriental Design

I am happy to report that Carol Myers' lavender knit afghan was one of the top five entries that won at the conference.

For those who didn't attend this year's conference, you really missed a really good time. Also, for the ones who came during the day on Tuesday, you left too soon! You should have stayed for the awards banquet. McLean County was walking off with all of the smaller awards, so we figured that they would get County of the Year. But their name was called for Second Place. Then, Macon County was called for First Place as County of the Year!!! YEAH!!! We were all surprised and thrilled and cheering. Congratulations and a huge thanks to everyone who worked hard in all phases to make us County of the Year!!!

March: We met on March 12, at the Scovill Zoo with director Ken Fry as our speaker. After our business meeting, Mr. Fry talked to us about the zoo. It started in 1967 as the Scovill Farm. The first exotic animal, a Malaysian Sun Bear, was purchased in 1974. It now has over 300 animals. The penguins are the newest display. We took a walking tour and saw many of the animals that were outside. We were shown the extensive water treatment area needed to maintain the water pool for the penguins. We visited the new, longer train route which extends along the lake shore. The new bridge is very impressive. We all enjoyed the program and tour and are anxious to visit the zoo again in the summertime. Mary Beth Wickline brought animal crackers as our snack, and we thought that was very appropriate.

April: We met on April 9 at the Extension Office. Our speaker was Becky Edwards from Starting Point, Aging and Disability Resource Center, which is located in the Macon County Health Department. She gave us much information about the services that are available for the elderly in our community who need help coping. Many, many valuable services are provided free of charge.

MACON COUNTY UNIT NEWS

Sharon Middleton reported to us about the state conference. We are proud of Sharon and all that she contributes to our local, county, and state organization.

Maple Grove Unit

We had our meeting at the Decatur Conference Cafe on February 28th. There were 14 members present. Carol Ropp started our meeting at 11:30 with a great joke. The secretary's report was read and approved.

It was noted that several programs scheduled for this month needed to be canceled due to the inclement weather. Several programs were rescheduled to March.

Under old business, Gini Smith reported about delivering the meals to the Decatur Airport T.S.A. workers. We collected money for this at our last meeting. Gini said that they were VERY appreciative and she even had a picture of them to share with the group. There were enough funds to cover meals for two Saturdays.

We set up our next three meetings; March 28th at Imboden Creek, April 25th at the Decatur Club and May 23rd at Primrose. All meetings are at 11:30. The May meeting will have a guest speaker, Mary Haney, will tell us of her book about the World War I.I.P.O.W. Camp Ellis, that was in Illinois.

Carol reminded us of the state conference in Effingham, March 12th-14th and the lesson on scamming on April 8th.

Our February meeting was held at the Four Star Diner in Mt. Zion. There were 8 members present. Donna Washburn was the hostess. Two items that were discussed at the meeting, which was held after our lunch, was the rescheduling of the Police Academy tour and the hummingbird lesson. Both lessons appealed to our members. The next pillowcase sewing day will be April 22nd. There are other things that need to be done besides sewing. Our unit also discussed the caterer for the upcoming Spring Meeting. Yoder's was the one we liked the best, however, it will be discussed at the board meeting on April 8th. We will not be serving or selling refreshments at the concerts in Central Park, but we will be serving popcorn, cookies, and water at the concerts at Rock Springs. The dates for those concerts are June 2, 16, and June 30. Pleasant Grove will be selling refreshments on June 30th. The other dates are July 21, 28, and August 11th.

Thank You, Diane

As many of you know, our extension secretary, Diane Dowd, is retiring on April 30. I am sure that you have met people in your lifetime who are especially special to you because they go above and beyond the call of duty. That is the way we all feel about Diane, and I can't express how much I will miss her. I have worked on the newsletter since 2013 with her and I could not ask for a better partner on this journey. Enjoy your retirement, and thank you so much for all of your help and support to our MCHCE for the past 20 years!

Don't Forget!

Be sure to call in your reservation for the Spring Meeting on Wednesday, May 1! Yoder's will be catering the lunch and it sounds delicious! Roast beef, mashed potatoes and gravy, green beans, tossed salad and apple cobbler. The cost is only \$10. Call Sharon Middleton at 877-7229 or 620-0484 by April 19th. We are looking forward to seeing everyone there!

Thank you from Carol Ropp

I know that I am really late in writing about the four years and Karen and I served as co-presidents, but now, I guess it was good that I did. Karen and I need to thank past and present board members, as well as all of you who have helped and supported us through our co-presidency. The truly "crowning moment" was Tuesday, March 12th when our state president, Jan Chapman, awarded Macon County the title of "2018 County of the Year"! We were truly shocked and so happy to have this acknowledgment two years in a row!

Karen and I enjoyed our years being your co-presidents. We were very fortunate to already be good friends before we started. We were always able to fill in for each other when one of us had to miss a meeting.

So now we are celebrating this great honor. Thank you to all of you--our great members!!

A Memorial to Joan Grider

By Louise Wickline

Hickory Point HCE was very saddened by the recent death of Joan Grider, a dear member. She was with us faithfully for several years. Her daughters cared for her during her illness and brought her to our meetings when she was able. We will miss her gentle, quiet presence.

I would like to Thank all of the HCE members for putting up with me all of these years! It has been my pleasure working with all of you. It has been even more of a pleasure getting to know most of you personally. You are great organization! Thanks Again. I will miss you!

Laughter is Good for the Soul!

I couldn't help but find some cute stories about little children. I have several young grandchildren, so it is really easy to relate to these stories. I hope you enjoy them as much as I enjoyed researching them.

A woman was trying to get the ketchup out of the jar. During her struggle, the phone rang so she asked her 4 year old daughter to answer the phone. "Mommy can't come to the phone to talk to you right now. She's hitting the bottle right now." (Does this remind you of a show called, "Kids Say the Darndest Things?")

Probably the best story I found is one that I can relate to when I visited my grandma when I was a little girl.

While working for an organization that delivers lunches to elderly shut-ins, I used to take my 4 year old daughter on my afternoon rounds. She was always amazed with the various appliances of old age. One day I found her staring at a pair of false teeth soaking in a glass. As I embraced myself for the inevitable barrage of questions, she merely turned and whispered, "The tooth fairy will never believe this!"
